2022 Supplemental Summary

2022 CAPITAL BUDGET HIGHLIGHTS

HOUSE CHAIR/RANKING MEMBER (PSHB 1781)

OVERVIEW

Bond Capacity

A total of \$3.97 billion in bonds was authorized in the 2021-23 biennium pursuant to Chapter 331, Laws of 2021 (ESSB 5084). The enacted 2021-23 capital budget, Chapter 332, Laws of 2021 (SHB 1080), appropriated \$3.94 billion in state bond proceeds. There was \$81.9 million in remaining bond capacity from the 2021-23 biennium and prior biennia bond authorizations after the enacted 2021-23 capital budget. The proposed 2022 supplemental capital budget, Proposed Substitute House Bill (PSHB) 1781, makes additional adjustments to prior bond capacity of \$23.2 million. Of the \$105 million in remaining bond capacity, PSHB 1781 appropriates \$77.4 million.

Other Fund Sources

In addition to \$77.4 million in bonds, PSHB 1781 authorizes \$1.42 billion from the following fund sources:

- \$637 million from a General Fund-State deposit into the Capital Community Assistance Account;
- \$263.8 million from the federal Infrastructure Investment and Jobs Act (IIJA);
- \$203 million from the state Water Pollution Control Revolving Account;
- \$120.7 million from the state Public Works Assistance Account;
- \$100 million from the new Apple Health and Homes Account created in Engrossed Substitute House Bill 1866;
- \$29.8 million from the state Drinking Water Assistance Account;
- \$24.9 million from the federal American Rescue Plan Act; and
- \$38.2 million in other fund sources.

HOUSING AND HOMELESSNESS

Rapid Capital Acquisition (\$400 million)

- \$300 million is for Rapid Capital Housing Acquisition to provide competitive financial assistance for the purchase of real property for quick conversion into homeless or emergency shelters, permanent supportive housing, or transitional housing for low-income people that will assist in moving people experiencing unsheltered homelessness away from unsanctioned encampments, the public right of way, or public spaces.
- \$100 million from the Apple Health and Homes Account is for the rapid permanent supportive housing program created in Engrossed Substitute House Bill 1866.

Housing Trust Fund (\$101.5 million)

The Housing Trust Fund is a competitive grant program that funds the construction and renovation of affordable housing units to serve low-income and special-needs populations including, but not limited to, people with chronic mental illness, people with developmental disabilities, farmworkers, people who are homeless, and people in need of permanent supportive housing.

Additional Investments in Housing and Shelters (\$20.2 million)

The following amounts are provided for various state programs that support affordable housing and shelter capacity:

- \$14.9 million is provided for homeless youth facilities projects;
- \$3.3 million is provided for grants to local governments and public utility districts to assist in the cost of utility improvements or connections to new affordable housing projects; and
- \$2 million is provided for a rapid response community preservation pilot program.

2022 CAPITAL BUDGET HIGHLIGHTS

HOUSE CHAIR/RANKING MEMBER (PSHB 1781)

BEHAVIORAL HEALTH

Community-Based Behavioral Health Beds (\$100 million)

- \$60 million is provided to community hospitals or other community providers to expand and establish new capacity for a minimum of ten 16-bed crisis triage and stabilization facilities for adults.
- \$26 million is provided for community-based projects for a variety of behavioral health services including long-term civil commitments, triage, crisis diversion, detox, and adolescent services.
- \$12 million is provided for grants to community hospitals or other community providers to expand and establish new capacity for at least two residential crisis stabilizations facilities for youth.
- \$2 million is provided for a competitive grant program to expand enhanced services facilities.

Mental Health State Facilities (\$9 million)

In addition to the \$100 million provided for community-based mental health beds through the Department of Commerce:

- The University of Washington (UW) is provided \$6.2 million for increased costs to the construction of the new 150-bed Behavioral Health Teaching Facility; and
- The Department of Social and Health Services is provided \$2.8 million for increased costs to the roof placement of Building 29, which houses civil and forensic patients at Western State Hospital.

OTHER HUMAN SERVICES

- \$8.3 million is provided to the Department of Corrections for projects to address critical infrastructure needs and improve safety at correctional facilities across the state.
- \$6.8 million is provided to the Department of Veterans' Affairs to replace the heating, ventilation, and air conditioning (HVAC) system at the Washington Veterans' Home in Port Orchard.
- \$5.8 million is provided for HVAC and water heater improvements at the Intermediate Care Facility cottages at the Fircrest School in Shoreline.
- \$2.8 million is provided to the Department of Social and Health Services for minor works projects to preserve and extend the life of existing facilities statewide.
- \$1.8 million is provided to the Department of Health for an emergency generator at the Washington State Public Health Laboratory in Shoreline.

LOCAL INFRASTRUCTURE

- \$120 million from the Public Works Assistance Account is provided to be competitively awarded by the Public Works Board for the financing of loans for local projects related to sewer, drinking water, solid waste, street, and stormwater projects statewide.
- \$108.7 million is authorized for low-interest loans to publicly and privately owned water systems statewide for designing, financing, and constructing improvements aimed at increasing public health protection and compliance with drinking water regulations.
- \$100 million in federal funds is authorized for broadband infrastructure grants throughout the state:
 - \$50 million to the State Broadband Office;
 - \$25 million to the Public Works Board; and
 - \$25 million to the Community Economic Revitalization Board (CERB).

2022 CAPITAL BUDGET HIGHLIGHTS

HOUSE CHAIR/RANKING MEMBER (PSHB 1781)

- \$42.5 million is provided to CERB for capital construction projects and assisting communities with financing publicly owned economic development infrastructure improvements to encourage new business development and expansion.
- \$33 million is provided for infrastructure projects around the state.
- \$20 million in federal funding is provided for the Small and Disadvantaged Communities Program, established in the Water Infrastructure Improvements for the Nation Act, providing grants to public water systems in eligible communities that are unable to finance activities needed to comply with drinking water regulations.
- \$14.5 million is provided for port infrastructure upgrades across the state.
- \$7.5 million is appropriated for the Regional Manufacturing Shovel Ready Site Development Program, which provides grants and loans for local governments and tribes to complete predevelopment activities, such as environmental permitting, design, and developing infrastructure, for future manufacturing sites.

GENERAL GOVERNMENT

Local and Community Projects (\$51.3 million)

- \$35.5 million is provided for local and community-based projects around the state.
- \$5.2 million is provided for dental clinic capital projects.
- \$5.1 million is provided for fire protection services capital projects.
- \$4.3 million is provided for food banks.
- \$1.2 million is provided for library projects.

Clean Energy, Clean Buildings, and Weatherization (\$61.5 million)

- A total of \$20.1 million is provided to the Clean Energy Fund, to fund two clean energy projects:
 - \$10.1 million is provided to support an aluminum smelter restart project in Whatcom County; and
 - \$10 million is provided to the Grant County Public Utility District to develop infrastructure necessary to support a solar manufacturing facility in central Washington.
- \$30 million is provided for the Weatherization Plus Health program, which upgrades low-income homes with energy-efficient improvements and leverages matching dollars.
- \$7.5 million is for capital improvements and equipment for the UW's Clean Energy Institute.
- A total of \$2 million is distributed among the Department of Social and Health Services, the Department of Veterans' Affairs, and the Department of Corrections to install sub-meters and perform energy audits on buildings to comply with the Clean Buildings Law.
- \$1.9 million in federal funding is provided for the Energy Efficiency Revolving Loan Fund Capitalization Program, a new program established in the IIJA to provide loans and grants for energy efficiency audits, upgrades, and retrofits to increase energy efficiency and improve the comfort of residential and commercial buildings.

Early Learning and Child Care (\$47.5 million)

- \$29 million is provided for grants and loans to purchase, construct, or modernize facilities to add capacity for early learning programs, including the Early Childhood Education and Assistance Program.
- \$18.5 million is for grants to childcare providers for minor renovations and small capital purchases and projects.

2022 CAPITAL BUDGET HIGHLIGHTS

HOUSE CHAIR/RANKING MEMBER (PSHB 1781)

Governmental Facilities (\$2.2 million)

- \$1.2 million is appropriated to the Military Department to complete the Snohomish Readiness Center expansion project.
- \$1 million is provided to the Office of Financial Management to provide funding to various agencies to address unexpected building or grounds failures at state facilities.

NATURAL RESOURCES

Department of Ecology (\$257 million)

The Department of Ecology is provided \$257 million including:

- \$236 million for the Water Pollution Control Revolving Program to plan, design, acquire, construct, and improve water pollution control facilities and non-point source activities to meet state and federal water pollution control requirements;
- \$9 million is shifted from the 2021-23 operating budget to the capital budget to facilitate the water banking pilot program;
- \$4 million is appropriated from the Model Toxic Control Account-Capital funds to clean up the former Eatonville Landfill;
- \$3.8 million in alternative financing authority is provided to the Department of Ecology for a preservation project at the Lacey Headquarters Parking Garage;
- \$2.3 million is appropriated from the Cleanup Settlement Account for final cleanup activities at the Pacific Wood Treatment Site; and
- \$1 million is provided for the Community-Based Public-Private Stormwater Partnership, to develop local capacity and private investments in advancing implementation of stormwater retrofits statewide.

Washington State Parks and Recreation (\$8.4 million)

Washington State Parks and Recreation is provided \$8.4 million including:

- \$2.3 million for design and construction of new day use facilities and trail development at Anderson Lake State Park;
- \$2.1 million for completing construction of the upper day use portion of the Kopachuck State Park project; and
- \$2 million for design and reconstruction of the eastern Crab Creek Trestle on the Palouse to Cascades Trail, which was destroyed by fire in 2021.

Department of Fish and Wildlife (\$6.4 million)

The Department of Fish and Wildlife is provided \$6.4 million for improvements to hatcheries, habitat, and other departmental properties. The major investments include:

- \$2.2 million for design of a new hatchery on the Deschutes River in Thurston County for the purpose of increasing Chinook salmon production in southern Puget Sound; and
- \$3 million for the design of the Kalama Creek Hatchery Project.

Recreation and Conservation Office (\$17 million)

The Recreation and Conservation Office is provided \$17 million for projects related to salmon recovery, including:

2022 CAPITAL BUDGET HIGHLIGHTS HOUSE CHAIR/RANKING MEMBER (PSHB 1781)

- \$15 million for Salmon Recovery Funding Board projects to protect or restore salmon habitat and assist in related activities;
- an additional \$1 million for restoration work managed by the Quinault Indian Nation on the upper Quinault River related to the recovery of sockeye salmon in this watershed; and
- \$1 million for the design of eleven fish barrier removal projects in Skagit County.

State Conservation Commission (\$2 million)

The State Conservation Commission is provided \$2 million to implement and administer the Farmland Protection and Land Access Program (Program). The Program, in cooperation with the Farmland Protection and Affordability Investment Program, is intended to reduce the conversion of high priority agricultural land at imminent risk of development and to increase farmland access by historically underserved producers.

Department of Natural Resources (\$3.5 million)

The Department of Natural Resources is provided \$3.5 million for various small projects, including \$2.3 million for the repair and replacement of structurally deficient bridges on state trust lands.

HIGHER EDUCATION

The 2022 supplemental capital budget includes \$55.3 million for higher education facilities. Of the total spending authority, \$29.5 million is provided for the community and technical college system and \$25.9 million is provided for four-year institutions.

Community and Technical Colleges

- \$13.8 million is for various small infrastructure improvement and repair projects at institutions across the state.
- \$15.7 million is for an asbestos abatement and restoration project at Pierce College.

Four-Year Institutions

- An additional \$2 million is provided for seismic improvements to facilities located in UW's central campus.
- \$2 million is for installation of new high-density, compact shelving in Holland Library to condense storage of library materials for the purpose of creating additional library study and collaboration space.
- \$1.7 million from Central Washington University's (CWU) 's capital building account for project cost escalation experienced by the CWU Health Education project.
- \$1.5 million is for establishing redundancy in the CWU electrical grid.
- \$1.9 million is for The Evergreen State College (TESC) to perform repairs and improvements to the Recreational and Athletic Center.
- \$1 million is for TESC to replace the campus emergency dispatch and communication system to allow integration into a regional dispatch and communication system with various public safety agencies.
- \$1.5 million is for anticipated project cost escalation to the construction phase of the Electrical Engineering/Computer Science Building at Western Washington University (WWU), provided from the WWU capital building account.

2022 CAPITAL BUDGET HIGHLIGHTS

HOUSE CHAIR/RANKING MEMBER (PSHB 1781)

K–12 EDUCATION

Public School Construction

- \$45.2 million is for the following school seismic safety improvements: (a) \$8.5 million is for unanticipated school seismic safety retrofit costs for projects identified as very high risk within the School Seismic Safety Retrofit Program in the 2019-21 biennium; and (b) \$36.7 million is provided for retrofitting the remaining very high-risk and high-risk schools that were initially identified by the Office of the Superintendent of Public Instruction during the development of the 2021-23 capital budget.
- \$18.4 million is for the following four distressed schools projects: (a) \$13 million to assist in the replacement of the elementary-middle school in the Almira School District; (b) \$2.9 million for design and renovation of two schools in the Republic School District; (c) \$2 million for facilities improvements responding to flood damage and future flood risk in the Nooksack Valley School District; and (d) \$0.5 million for facility access and security improvements in Wahkiakum School District.
- \$6 million is provided for two additional school modernization projects in the Brewster and Creston school districts as prioritized by the Small District and Tribal Compact School Program Advisory Committee.
- \$4.1 million is provided for design of the expansion phase of the West Sound Technical Skills Center.
- \$1.7 million is for additional grants for emergency school district facility repairs.
- \$1.5 million is for a new Healthy Kids-Healthy Schools grant program for the removal, disposal, and replacement of T12 lighting fixtures and ballasts with light emitting diode (LED) lighting.
- The School Construction Assistance Program is reduced from \$730.6 million to \$540.7 million for the 2021-23 biennium. The \$189.9 million savings reflects lower than anticipated project readiness for the construction, renovation, and modernization of kindergarten through twelfth grade (K-12) school facilities.

OTHER EDUCATION

Washington State Historical Society (\$2.2 million)

The Washington State Historical Society is provided \$2.2 million for several system improvements.

Eastern Washington Historical Society (\$1.2 million)

The Eastern Washington Historical Society is provided \$1.2 million for campus infrastructure and system improvements.
